Fort St. George, April 9, 1914

No. 234.—

Rules and instructions relating to the constitution and duties of grazing panchayats.

I. THE CONSTITUTION OF GRAZING PANCHAYATS.

The panchayat will consist of owners of cattle (including sheep) who are resident in the village and will be selected by such owners of cattle at an informal meeting held in the presence of a Tahsildar or Deputy Tahsildar. The number on a panchayat should not be less than five or more than nine. The panchayat will usually hold office for three forest years (July 1 to June 30), and the panchayatdars have power to fill vacancies occurring during that period. Such vacancies will be filled for the unexpired portion of the said period. Outgoing members will be eligible for re-appointment.

All appointments on the panchayat are subject to the approval of the Revenue Divisional officer and, if he objects to any appointment, a fresh appointment shall be made in the same manner as the original appointment was made. The said officer will also have power to remove, for reasons to be recorded in writing, any panchayatdar whose conduct makes him in the opinion of such officer unfit to remain in office.

Before the three years' term of office of a panchayat expires, the Revenue Divisional officer will arrange for the selection of a new panchayat, it being understood that the members of the existing panchayat are eligible for re-election.

II. DUTIES.

The main duty of the panchayat is to see that the grazing area entrusted to their charge is used to the best advantage of the grazing community. To this end they must prevent the destruction of the grass by excessive grazing and of the tree growth by reckless cutting, and they must specially prevent the removal of any forest produce for sale. Where orders are received limiting the number of cattle which may be admitted into the grazing area, the panchayat must enforce such orders. They must in all cases exclude goats. They must clear and maintain boundary lines of blocks if required by the Revenue Divisional officer to do so, and must carry out the orders of the said officer when communicated to them from time to time.

The panchayat are responsible for the grazing revenue which must be paid in full for each forest year before any grazing is allowed during that year.

III. POWERS.

The panchayat shall have the full management and control of grazing in the area entrusted to them. Their powers are:—

(1) Power to admit any cattle into or exclude any cattle from the grazing grounds, and, where orders have been received limiting the number of cattle which may be admitted into the grazing area, to decide whose or what sort of cattle are to be admitted. This will include the power to exclude the cattle of any person who recklessly or mischievously damages the growth on the said area, or who removes such growth for sale, or who fails to pay his share of the revenue, or who acts in contravention of orders issued by the panchayat in the exercise of the powers bestowed upon them.

(2) Power to impound cattle which graze without permission.

(3) Power to regulate the cutting and taking of wood, leaves or thorns for domestic or agricultural purposes.

Note.—This power will not be exercised in areas where the Forest Department retains control of the timber of fuel.

(4) Power to issue permits and to charge fees for grazing and for the cutting and removal of wood, leaves and thorns.

(5) Power to report to the Divisional officer or Tahsildar or Deputy Tahsildar any flagrant offence for which prosecution is desired.

IV. RELATION BETWEEN PANCHAYATS AND GOVERNMENT OFFICERS.

The panchayat will work under the orders of the Revenue Divisional officer. Areas under panchayat management will be periodically inspected by the said officer or by the Tahsildar or Deputy Tahsildar, and also by the District Forest officer or under his orders by an officer not below the rank of Range officer. All orders to the panchayat must issue from the Revenue Divisional officer, and the Forest officials will therefore address the said officer if they desire to interfere in the panchayat management or to draw attention to any delinquency on the part of the panchayat.

The orders issued by the panchayat are not subject to appeal. No notice will be taken of individual complaints. General complaints by a body of villagers should receive the Revenue Divisional officer's attention, and as stated in rule I the said officer has power to remove any panchayatdar from office. Cases in which it is proposed to remove the whole panchayat should be reported for the orders of the Collector. There is no appeal against the orders of the Revenue Divisional officer or the Collector as the case may be.

SUPPLY AND TRANSPORT NOTICE No. 13 (TEA).

SEALED offers for the supply of Indian grown black tea required to be delivered between 15th August 1914 and 31st October 1914 will be received by the Deputy Assistant Director of Supplies, 9th Division, at Ootacamund, up to 12 noon on Monday the 29th June 1914.

2. Offers should be submitted in English and should specify in words as well as in figures the rates at which tea will be delivered. Fractional parts of pice in rates will not be accepted. Offers must be duly signed and completed. The rates should be quoted at so much per pound or per one hundred pounds.

3. Offers should be sent in a sealed or registered cover superscribed "Offer for the supply of tea" to the address of the Deputy Assistant Director of Supplies, 9th Division, Ootacamund (and not to any officer by name).

4. Offers will be opened at this office at 12 noon on Monday the 29th June 1914.

5. Parties tendering are particularly requested to give their address in full, also telegraphic address if possible.

6. The tenderer is at liberty to offer in part or for the whole quantity advertised for.

7. Quotation may be made (A) free on rails at the several railway stations concerned or (B) for delivery of the whole requirements in two instalments within three months between 15th August 1914 and 31st October 1914 F.O.R., Madras, or at the Supply Reserve Depôt, the Beach, Madras, which should be specified in the offer. Should any tenderer fail to mention the condition of delivery it will be taken to mean that the offer is for delivery at the Supply Depôt of each station of requirements.

8. No earnest money is required, but the successful tenderers will be required to execute the usual informal agreement or regular contract deed on I A F.Z. 2123 or 2129 2131, with or without security deposits as may be necessary.

The following special conditions will be included in the agreement:—

The tea of all be equal to the supply and transport sample which can be seen by the tenderer at the Supply Reserve Depôt, the Beach, Madras, or at the nearest Supply and Transport Store Depôt, *i.e.*, at any one of those mentioned below and is to be free from undue proportion of dust tea shall be contained in strong serviceable boxes (but not of seemul or cotton wood) lined with sheet lead well secured and in merchantable condition and the lids of the boxes shall be securely nailed down and not screwed. A uniform quantity of 50 lb. tea should be contained in each box which will be oblong in shape and according to the sealed sample which the tenderer can inspect in the Supply Reserve Depôt, "The Beach," Madras, or in any Supply and Transport Store Depôt, measuring 2' 3" × 1' 1¾" × 1' 5" and weighing with sheet lead not more than 26 lb. 4 oz. (sheet lead 4 lb. 4 oz. and box about 22 lb.). The total weight of each box is thus not to exceed 76 lb. 4 oz., that is, box with sheet lead should weigh about 26 lb. 4 oz. and tea 50 lb.

Each box should be branded thus:—

Season—1914–15

Indian black tea.
Net weight, 50 lb.
Gross weight, lb (to be entered).
From——————————contractor's name to be entered.

The weight of each box with leadful will not be rigidly insisted on but variations in the aggregate weight of the box including lead should not exceed 5 lb., for instance, 2 lb. more or 3 lb. less may be accepted. Empty tea chests and leads will become the property of Government.

9. The approval or rejection of offers rests with the General Officer Commanding 9th Division who reserves to himself the right of rejecting any offer or any items or a portion thereof without cause assigned. The lowest tender need not necessarily be accepted. As a rule only successful tenderers are informed by telegram the result of their offer. No notice can be taken of requests from unsuccessful tenderers for information by telegram unless the cost of such telegram is prepaid.

10. Alternative rates may also be quoted for tea packed in thoroughly serviceable tea chests of the ordinary commercial pattern instead of the Regulation boxes above described. This and other necessary particulars should be clearly specified in the offer.

11. All consignments deliverable F.O.R. should be despatched at the ordinary public traffic rates and not at the Military Tariff rates. Further it is not incumbent on the contractors to book articles to some Government official as has hitherto been the case.

12. A two-pound sample of tea should be sent to this office a week before the date fixed for opening tenders free of cost which will be fixed as samples and distributed to stations concerned.

13. Any further information required can be obtained on application to this office between the hours of 11 A.M. and 4 P.M. (Sundays and holidays excepted).

14. The probable estimated requirements are as under which cannot be absolutely guaranteed :—

4. The Government also reserve to themselves the right to control and regulate at their absolute discretion, the collection, retention and distribution of the water in or under the said lands or any part thereof, of all rivers and streams flowing in natural channels and of natural lakes and ponds or of the water flowing, collected, retained or distributed, in, or by any channel or other work constructed at the public expense and in particular to intercept or make material alteration in the quantity, quality, direction, force or temperature of the said water and to cut off, stop and hinder the whole or any portion of the supply of the said water without being liable in any case to pay compensation for so doing.

5. All existing and customary rights of Government and of the public in all existing roads and paths and in streams of water in the land shall be reserved.

6. All parties having claims on the said lands incompatible with the sale as herein notified are hereby required to prefer their claims on or before the day aforesaid to the undersigned.

(3) If the survey and demarcation of the lands have not been completed.

(4) If the sale has been ascertained to be objectionable on public grounds.

(5) If any claim of private ownership or exclusive occupancy or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

The sale will be made subject to the following conditions :—

CONDITIONS OF SALE

That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arises between two or more bidders at the same price, the lot shall be immediately put up again at the last preceding undisputed bidding and re-sold.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase money, and shall thereupon receive a patta for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs. 12 per cent. per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition, provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6.
